

Kleenmaid upright vacuum cleaner

Stylish, light & powerful...

Our range of vacuum cleaners are manufactured around the three promises of performance, quality construction and ease of use ... important factors when considering a vacuum as they separate good from outstanding.

One of the lightest on the market, the VC700 comes standard with a 175watt powerhead making light work of a daily chore.

Our vacuum filtration is second to none with a superior filter system that removes 99.96% of the finest dust, providing a cleaner living environment for the whole family especially allergy sufferers.

Whether your home is minimalist, classical or colourful, our modern upright design will make a fashion statement in your home. Jam-packed with features, the Kleenmaid VC700 is simply the best you can own!

A Kleenmaid VC700 upright vacuum cleaner is shown against a light grey background. The vacuum is primarily orange with a purple and orange patterned dust container. It has a long, silver-colored telescopic tube and a black flexible hose. The motor unit is orange and black, with a black powerhead at the bottom. The brand name 'Kleenmaid' is visible on the motor unit.
